Vertical Storage

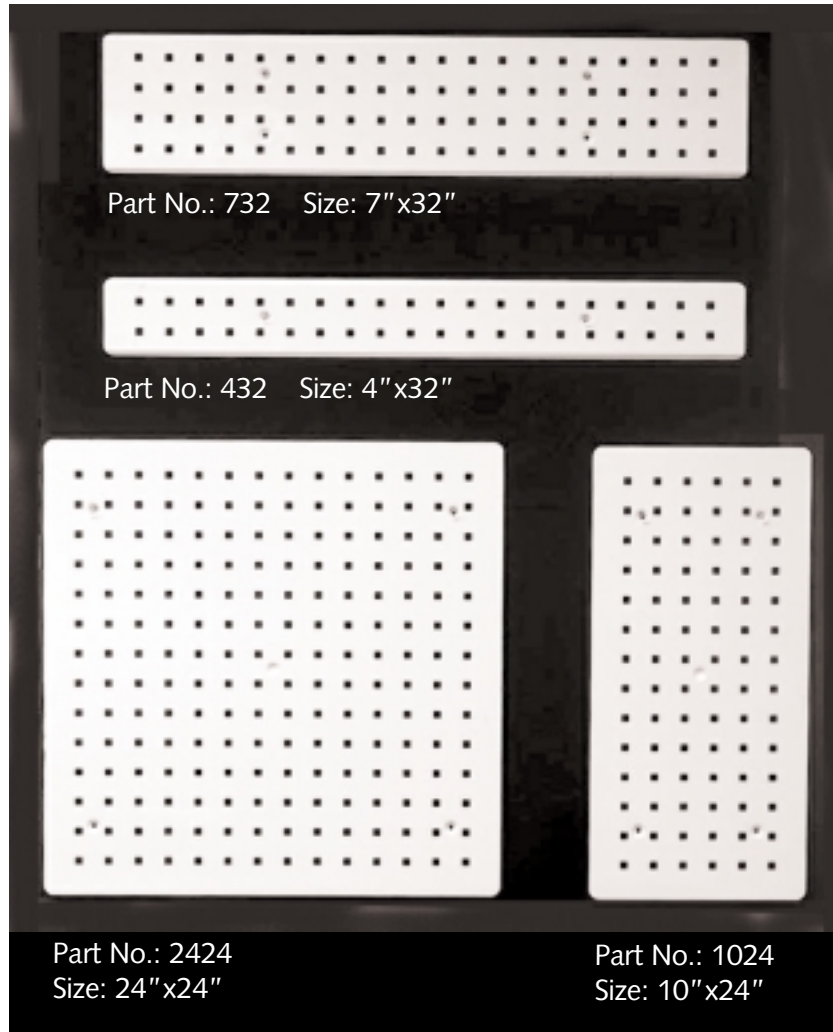

YOUR STUFF STAYS PUT

MMP Metal Toolboards & Hooks are the **STRONG, SAFE and RELIABLE** alternative to conventional wood-based peg boards and hooks. MMP Metal Hooks lock into our powder coated steel Toolboards securely. Our hooks stay put so your tools and other stored items stay put, too. **ONCE YOU'VE TRIED THEM, YOU'LL WONDER HOW YOU EVER DID WITHOUT THEM.**

MMP Metal Toolboards come in a variety of sizes and there are MMP Hooks for almost any application you can imagine. MMP Toolboards and Hooks have all kinds of uses in the workshop, the garage, for organizing sewing or hobby supplies – we even have literature holders that make them ideal for displays at work, church or school.

STANDARD TOOL BOARDS

MMP Toolboards come in a variety of sizes and are made from 18 gauge steel. They're light, but **STRONG!** They're powder coated in white for a clean appearance that really lasts. Combine boards in any number of ways to fill whatever wall or door space you have available. Boards have special mounting holes and can be mounted directly to wall studs or with wall anchors and screws (mounting hardware is not included).

*Special sizes can be provided.
Contact customer service for pricing and availability.*
